

EXTENSIONS:

All inspections are to be conducted within the stated period of performance for the Auction. However, extension requests will be considered in certain circumstances.

- (1) Extension requests should be received by RAP *during the initial 15-day scheduling* timeframe.
- (2) For *previously scheduled* inspections, requests should be received as soon as possible but **MUST** be received prior to the end of the period of performance.
- (3) All extension requests must be for a reasonable timeframe (generally 30 days).
- (4) Send requests via email to REACReverseAuctionProgram@hud.gov and include the inspection number(s), tentative date(s), and the reason the extension is needed.
- (5) You will receive an email notice with the status of the extension request.
